Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 12 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry overnight. Sunny spells and a few showers tomorrow.

This Evening and Tonight:
Sunny spells continuing into the evening and remaining dry. Overnight, clear spells to start, but patchy cloud increasing later bringing the risk of scattered showers into the Bristol Channel. A breezy night. Minimum temperature 9 deg C (48 deg F).

Friday:
Apart from the odd shower, many will start dry and bright. Cloud tending to build during the day, but remaining dry for most. Skies brightening up later with sunshine developing. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Often cloudy over the weekend with outbreaks of rain at times, but with some brighter spells in-between too. Drier and brighter on Monday but breezy.
